GREENBELT, MARYLAND

Thursday, August 31, 1961

An Election Platform

(Editor's Note: For the convenience of our readers, we are repeating the list of specific proposals for an election platform for city council aspirants which the NEWS REVIEW presented for the first time last week. Each candidate has been requested to comment on these proposals. Their answers will appear next week.)

City Services

1. Continued execution of a vigorous landscaping and conservation program aimed at restoring Greenbelt's ballfields, playgrounds, and green areas, with special emphasis on the employment of such additional public works personnel as is needed to maintain and to take proper care of the areas already "renovated."
2. Retention of the recreation program at its present level, with such expansion as the need develops -- for example, to include a summer program of supervised care for pre-school children.
3. Maintenance of a full-time local police department, staffed so as to provide services at all hours, including a 24-hour switchboard.
4. Maintenance of present bus service to Route 1 and its subsidization, if needed, as long as no other public transportation is available.

Capital Improvements

5. Adoption of an annual capital improvements budget, to be financed by a special tax or by application of certain sums from surplus funds. The Advisory Planning Board could be assigned the task of recommending each year which capital improvement items should be given priority.

City Employees

6. Adoption of a general pay increase for all city employees, commensurate with the rate of increases provided by other municipal, private, and Federal agencies for employees doing similar types of work.
7. As a fringe benefit for public works and garbage disposal personnel, provision by the city of free uniforms and laundering, as recommended by the city manager in his last budget message.

City Operations

8. Creation of a full-time assistant manager whose task would be to help the city manager in expediting the execution of city council directives and in scheduling and planning city administrative activities.

Surplus

9. Distribution of the surplus in the FOLLOWING ORDER OF PRIORITY: (a) for a city employees pay increase; (b) for a capital improvements program for this fiscal year; and (c) for a tax cut, if legal.

School Registration

Pre-school registration for first graders and all new students who have moved into the area will take place on Friday, September 1, at the school the student will attend. Parents are urged to take advantage of the early registration time to insure an orderly and satisfactory opening day for their children. The first day of school is Tuesday, September 5.

Program Errors

Festival Chairman Eli Don Bullian extends his apologies for inadvertently omitting the Youth Center Dedication ceremony from the printed Festival program. The ceremony takes place at 4 p.m. on Sunday. Other errors in the program have all been corrected in the version published in this issue of the News Review.

Lassie All Stars

For the past two summers a devoted group of mothers have been working with girls between the ages of 9 and 14 under the auspices of the Lassie League. The six games played this past summer in this softball competition were full of spirit and friendly rivalry.

Friday evening, as a part of the annual Greenbelt Youth Festival, there will be an All Star game of the Lassie League membership. See the festival program for time and place.

At a meeting Thursday evening of the coaches and a few mothers, the following officers were elected for a one-year term:

Commissioner, Walter "BUD" Dean; President, Mrs. Ruth Miller; Vice President, Mrs. Theresa Schumaker; Treasurer, Mrs. Judy Boone; Secretary, Mrs. Margaret Baldwin.

Master of Ceremonies

Kenneth Powell, 49-F Ridge, will serve as Master of Ceremonies at the dedication of the Youth Center on Sunday, September 3, at 4 p.m.

Eight Champions In Festival Race

Eight national champions will participate in the nine-mile road run on Sunday at 2 p.m. as part of the annual Greenbelt Festival. Leading the list of entries will be Vic Zwolak who is National 15 Kilo Champion. Zwolak has run two miles in 8:59 this year. Other champion runners participating in the event are: Ernie Tracy, present Junior National Steeplechase Champion; Moses Mayfield, Junior National A.A.U. Six Mile Champion; Jack Barry, former Junior National A.A.U. Marathon Champion; George Foulds of Pittsburgh, National A.A.U. 25 Kilo Champion; Mike Fleming, Junior National Three Mile Champion; Dick Haines, present Middle Atlantic Long Distance Champion; and John Gyax, D.C.A. A.U. Six Mile Champion will all be present.

There is also a possibility that Sy Villa, who won this race in 1959, will be present. Villa was 12th in the Boston Marathon and 7th in the National A.A.U. Marathon at Yonkers, New York.

Diaper Derby

Entries for the Diaper Derby (baby crawling contest) will be taken on Monday, Labor Day, starting at 1 p.m., on Braden Field. No entries will be taken after 1:45 p.m. The contest is open to all Greenbelt boys and girls under 11 months old. Prizes will include a silver cup for first and a silver spoon for second. All crawlers start from the middle of a circle 20 feet in diameter and crawl to the outside line. Parents can urge their children however they wish but must stay outside the circle.

Softball Tournament Now Being Held

The Eleventh Annual Greenbelt Little League Softball Tournament, which is playing every night at 7 p.m. at Braden Field, opened Monday with Sellers Sales and Service taking a beating from Villa Meade Restaurant in the first game, 18 to 4.

In the second game the Jerry Wolman Construction Company of Baltimore had no trouble taking a fighting Hahn's Shoe Store into camp -- 9 to 0.

All proceeds of this tournament go to the upkeep of the Greenbelt Little League.

Festival begins; Kuhn Speaks At Youth Center Dedication

Three new events, including a bridge tournament and an all-star Lassie League game, the return of the nine-mile road run, the formal dedication of the new Youth Center and a variety of other events will feature the whirlwind of fun and frolic that makes the four-day Greenbelt Festival, beginning tomorrow night, the big event of the year.

Other highlights are the crowning of the Queen of the Festival on Sunday night at 11:15 p.m. and the big Labor Day parade on Monday at 10 a.m. that will feature two bands, a drum and bugle corps, colorful floats, and majorettes. Riding in the first car with Parade Chairman Sgt. Austin Green will be his brother Charles Green, Sheriff of Lycoming County, Pennsylvania.

Grand Marshall of the parade will be Inspector Dick Mansfield and master of ceremonies will be city Recreation director Warren Leddick. The parade will begin forming in the vicinity of Southway and Ridge at 9:15 a.m. Bicycle floats will form at 12-courts of Ridge. All entries must have a number which can be obtained at High's store.

The parade will proceed from Southway and Ridge, up Ridge, down Northway, down Hillside and then along Crescent to the Centerway reviewing stand. The marching units will not stop in front of the judges' stand to perform in order to speed up the parade.

A complete program, including last minute corrections to the printed program, appears on page three.

Horseshoe Pitching

Residents and non-residents may still register at the Co-Op food store for the annual Labor Day Festival horseshoe pitching contest, which will be held on Saturday, September 2, at 2 p.m. at the Center.

Four trophies, donated by Twin Pines Savings and Loan, will be awarded the winners of the men's singles, men's doubles, and boys' singles. Trophies will also be awarded to the runner-up in the men's singles and the boys' singles. For further information call Ed Wuermsier at GR 4-6012.

Dr. Albin O. Kuhn, Executive Vice-President of the University of Maryland will be the guest speaker at the Youth Center Dedication ceremonies on Sunday, September 2, at 4:00 p.m. Dr. Kuhn, father of five, will speak about the opportunities of parents and the community in helping their youth grow into adults.

Weather permitting, the dedication will be held outdoors. In the event of rain, ceremonies will go inside the building.

Dr. Kuhn was born in Woodbine, Maryland, and raised on a dairy farm. He received his Bachelor of Science degree in Agriculture at the University of Maryland in 1938, graduating with first honors. Graduate training for his Master of Science and Doctor of Philosophy degrees were at the University of Wisconsin and University of Maryland.

From October, 1944, to June, 1946, he served as a line officer in the United States Navy.

Dr. Kuhn was professor and head of the Agronomy Department at the University of Maryland from July, 1948, through June, 1955. While serving as assistant to the President of the University of Maryland from 1955 to 1958, he was a member of the National Committee on Climatology, advisory to the U.S. Weather Bureau.

Dr. Kuhn has four sons and one daughter, ranging in ages from 12 to 20.

NOTICE TO BID CITY OF GREENBELT

BIDS FOR TRUCK CHASSIS AND CAB

Sealed bids, addressed to the office of the City Manager, 111 Centerway, Greenbelt, Maryland will be received until Friday, September, 15, at 2:00 P.M. and then publicly opened and read for a chassis and cab to replace Greenbelt's present 1956 G.M.C. 554 under a #200 16 cubic yard GarWood Load Packer.

The new truck shall meet the following specifications: 127 1/2 wheelbase, 100 1/2 C.A., the cab shall be a cab over engine type for three men, it shall be equipped with two amber lights, heater and defroster, dual rear-view mirrors; dual air windshield wipers, electric seashell horn and low pressure buzzer, twelve volt 50 Amp. heavy duty battery, to have air brakes and hand control emergency brake. The engine to have 340 cubic in. displacement 130 H.P., to have five-speed, direct in fifth transmission, single reduction full floating rear axle with 7.20 ratio, heavy duty 11,500 lb. capacity rear spring, tow bar, front and rear turn signals, 10:00 x 20 12 ply tires on cast wheels and a spare rim.

Delivery to be made to Greenbelt, Maryland, and price to be based upon trade-in of our 1956 G.M.C. Model 554 chassis and cab after the Gar Wood load packer body has been removed.

Greenbelt is a municipal corporation and pays no federal tax. Proposals shall include complete specifications on the truck and cab bid on.

**All Greenbelters are cordially
invited to attend the
Dedication of the
YOUTH CENTER
on Sunday, September 3,
at 4:00 p.m.**

TO HELL AND BACK

When's Pepco's next 'peak'?

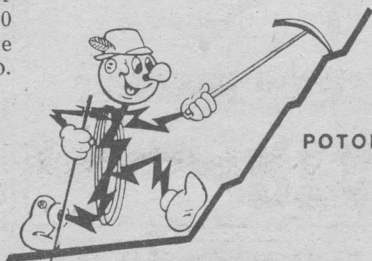

At exactly 2:20 p.m., Monday, July 24, PEPCO established a new high for the amount of Electricity consumed at any given instant. The new record instantaneous peak load: 1,355,000 kilowatts.*

Thus, 1961 becomes the 50th consecutive year during which PEPCO achieved a record peak load. And each time, PEPCO was ready—with more than adequate generating, transmission and distribution capability, thanks to our continuing program of advance planning, investing and building. In the last 10 years, in fact, PEPCO has spent \$307,000,000 for new generating, transmission and distribution

facilities. Looking ahead, work is about to begin at Chalk Point, Maryland, on our fifth generating plant. The first two units at Chalk Point will add 670,000 kilowatts to our system capability, at an approximate investment of \$105,000,000.

When will PEPCO experience its next peak load? Probably later this summer. We can't predict. But we can predict with confidence that PEPCO will once again be ready, because it's our responsibility to bring you *all* the "Matchless Service" you want—when and where you want it—at lowest practicable cost.

*You might be interested to know that on the same day, July 24, we supplied our customers with 23,053,000 kilowatt-hours—another all-time high for PEPCO.
